PHB sponsor Leonardslee illuminated Christmas spectacular

Local company PHB Contractors, who worked on the construction of the extended car park at Leonardslee Lakes and Gardens this summer, are proud sponsors of this year's illuminated Christmas spectacular. The event, which offers a welcome break from the Covid-19 gloom, will take place over three consecutive weekends in December. The gardens will be lit up with light displays and projections onto the historic mansion buildings and the lakes in the Grade I Listed Gardens, with live music and family-friendly theatrical performances for all the family. Leonardslee Illuminated runs on December 4th to 6th, 11th to 13th and 17th to 22nd. Ticket prices are £16 for adults aged 16 and over and £8 for children (free for under two's). See www.leonardsleegardens.co.uk for more information and to book.

Patrick Rea, Leonardslee
